Message from Dr. Kavita N Singh
Dean, Gandhi Medical College, Bhopal

“Renovation in Motion: Voices of Commitment”

As Gandhi Medical College celebrates its Platinum Jubilee, we find ourselves reflecting on a proud legacy of excellence, service and compassion. This milestone is not just a celebration of our past achievements but also a reaffirmation of our ongoing journey towards growth and renewal.

The ongoing renovation of our campus — the hostels, auditorium, classrooms, washrooms and other vital facilities — not only in college but also upgradation of various departments of Hamidia Hospital like installation of CT, MRI, Cath lab etc.

Each brick being laid, each corner being revitalized carries the echoes of dedication from administrators, alumni, faculty, students, nursing & paramedical staff who kept the spirit of Gandhi Medical College alive through decades. These changes symbolize continuity between our grand heritage and our dynamic future.

Together, let us keep this ‘Renovation in Motion’ not only in our buildings but also in our hearts, minds and commitment to serve humanity.

Warm wishes,
Dr. Kavita N. Singh
Dean

Driven by a shared vision of excellence, we at Gandhi Medical College have been steadfast in our mission to uplift, modernize, and revitalize our beloved institution. The ongoing renovation and development work reflect not only infrastructural progress but also the renewed spirit of collaboration and purpose that binds our GMC family together.

I am deeply grateful for the recognition and appreciation of my contributions, but I firmly believe that every milestone achieved is the result of our collective effort. It is the commitment, enthusiasm, and generosity of our alumni, faculty, and staff that continue to drive this transformation.

As we move forward, let us sustain this momentum — nurturing the same passion and unity that have always defined our college. Together, we are not just restoring the heritage of GMC, but building a stronger, more inspiring legacy for generations to come.

Thank you all for your continued trust, support, and unwavering dedication to the progress of our institution.

Message From. Dr. Suneet Tandon
Superintendent Hamidia Hospital

Message from Mr. Rakesh Nigam
Executive Engineer P.W.D.

Thank you very much for giving me the opportunity to welcome you all in the Platinum Jubilee Celebration of our beloved *Gandhi Medical College*.

जो कुछ भी अब तक किया है — वह मेरा कर्तव्य था और रहेगा।

Time is short, so we are working on a war-footing manner to make this celebration memorable and grand.

आप सबका हार्दिक स्वागत रहेगा — let's come together to make Alma Mater shine once again!

OVERSEAS ALUMNI OF GMC REPORT

For three unforgettable days, Glasgow became a celebration of friendship, nostalgia, and timeless bonds. Around 80 alumni and their spouses gathered for our 21st consecutive reunion — less an event and more a homecoming of hearts. From the first hugs at the welcome meet, laughter and warmth filled the air as old friends reconnected, conversations flowing as if no time had passed. Each day brought new memories — morning walks, shared coffees, lively chats about life since college, and evenings alive with music, dance, and laughter. The Highland bus tour, castle visit, and musical dinner nights were true highlights.

A heartfelt pause came as we remembered teachers and classmates no longer with us — a touching reminder that time may pass, but memories endure.

By the final day, promises were made to meet again soon. The reunion ended with a joyful group photograph capturing not just faces, but the enduring spirit of friendship and belonging.

Special thanks to our Scotland team —

Sanjeet & Sraboni Bhattacharya, Rohit & Sapna Maheshwari, Prakash & Mythily, Pujit & Nupur Gandhi — for making it all possible.

Next stop: Manchester — see you all there!

Closing Note

Closing Note 🎵🎶

सरकार से लगभग 2.5 CR का बजट release हो चुका है, जिससे toilets renovation, painting & repairs, auditorium repair और chairs upgrade का कार्य प्रारंभ हुआ है।

कुछ क्षेत्रों जैसे sports arena सरकार के दायरे में नहीं आते, इसलिए alumni fraternity ने इसे अपने जिम्मे लिया है।

Badminton court का काम Dr. Deepak और उनके साथियों के सहयोग से शुरू हो गया है।

sport arena, Library upgradation और कुछ अच्छे journals लाने जो सरकार नहीं कर पा रही है का संकल्प प्लेटिनियम सेलब्रेशन के बाद alumni fund से पूरा किया जाएगा।

असली रंग तो तभी आएगा जब हम सब साथ मिलकर इन प्रयासों को आगे बढ़ाएँगे।

Long Live GMC! – यही हमारा गर्व, यही हमारी पहचान।

कदम दर कदम बढ़े तो मंज़िल आसान लगी।"
